STATEMENT OF SUBSTANCE OF INTERVIEW

Dear Sir:

This Statement of Substance of Interview is being submitted in accordance with §713.04 of the Manual of Patent Examining Procedure to make of record telephone interviews held between Examiner K.C. Srivastava and the undersigned on or about June 7-9, 2004.

An interview was initiated by Examiner Srivastava on or about June 7, 2004 for the purpose of discussing certain claim amendments which were proposed to be made by Examiner's Amendment. Specifically, claims 3 and 53-56 were proposed to be

amended and a new claim 69 (initially misidentified as claim 57) was proposed to be added. Examiner Srivastava indicated that Applicants' acceptance of the proposed claim amendments would result in allowance of claims 3, 53-56, 63, 65 and 69, because the claims, as proposed to be amended, were considered to be patentable over the prior art of record, in view of the Declaration of Paul Jarrett submitted with the Request for Continued Examination filed March 31, 2004.

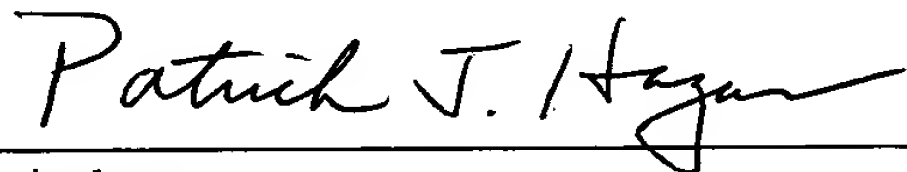

Also on or about June 7, 2004, a draft proposed Examiner's Amendment, setting forth the above-noted amendments, was transmitted by Examiner Srivastava to the undersigned.

A follow-up telephone interview was held on or about June 9, 2004. The June 9th interview, which was initiated by the undersigned, was for the purpose of confirming Applicants' acceptance of the proposed Examiner's Amendment.

This Statement of Substance of Interview is being filed within one month from the mailing date of the Interview Summary Form, which was attached to the Notice of Allowability dated June 15, 2004.

Respectfully submitted,

DANN, DORFMAN, HERRELL and SKILLMAN
